What is the daily schedule like at camp?

Once campers are dropped off in the morning, free play will start. We will have organized games, crafts, coloring, and general play. This is the time for the kids to explore the park and join in with other campers to play games, make bracelets, etc.

Between 9 – 11AM campers will swim at the Kluthe Pool. Groups may be split up depending on camp size.

Lunch will be from 11-12 each day. Campers are to bring their own lunches from home.

Afternoons will have different activities based on our weekly theme for campers to choose from. Once the afternoon activities are over, campers will get a snack and have free play until they are picked up.
